GIVE GROW INSPIRE

In a world where so much comes and goes so quickly, **the YMCA** has lasted. We are community based, professionally managed and able to meet the changing conditions of the future.

For over **120 years in Grays Harbor**, the YMCA has devoted itself to youth development, healthy living and being socially responsible. We want to ensure that we will forever be available providing **membership and programs** for everyone who wants and needs the Y in their lives.

Many friends of the YMCA are helping to extend its influence beyond their own lifetime by designating gifts or assets they have accumulated to the **YMCA's Endowment Fund**.

Such gifts can be directed to support the overall work of the YMCA, or can be designated to support a specific program or site.

Give the gift of the YMCA. It's so easy and you can rest assured that your gift today will **benefit children and families yet to come**.

Over the years, many individuals have generously given their time and resources to help build our facilities, strengthen our programs and extend our work into the **community**.

The influence of these visionary individuals will be felt in our communities for years to come. For many, their commitment to the mission of the YMCA will **extend beyond their lifetime** through planned gifts to the YMCA Endowment Fund. Their planned giving is celebrated through the YMCA Legacy Giving.
