What's Your Y Story?

Early Learning Readiness

"Y Preschool gives my child a structured atmosphere for learning. The program provides great opportunities for learning, making friends, taking turns, sharing, and playing together."

Y member Sam

For All

"We live a distance from town. I always felt that the cost of Y membership, gas money spent to and from, and cost for lessons would be too much for our family, so I didn't pursue swimming all these years. I appreciate the Y helping low income families, and because of this I CAN afford the membership, and now my dream of having my children learn to swim is being fulfilled. I wish I'd looked into it sooner!"

Y member Beth

Gaining Independence

"Kids need to be kids. They need time away from parents to grow, make decisions, meet new friends, learn how to listen to adults, etc. Camp provides a safe place for them to do this where they feel safe and parents, we feel they are safe."

Y member Jane

Education

"My spelling has improved since joining the Harbor After School Program. I had been receiving U's (a grade comparable to an F) on my tests. I just earned a B+ because of the help from the afterschool program."

Y member Savannah

Health & Wellness

"There's options for everyone and it's about going at your own pace. I was really intimidated to start working out and had no idea where to begin, but I had wonderful teachers guide me and really build my confidence."

Y Member Nicole

Developing Youth

"My daughter as grown in her confidence and has achieved goals she has set. My son has grown in his flexibility and willingness to try new exercises."

Y Member Jerry

Strengthening Family

"The Y has always been a place for my family. Whether swimming, Preschool, BusyTown, or the weight room, it's a safe and enjoyable space for our family!"

Y Member Chris

So Much More

"The Y is one of my favorite places in our whole community. It embodies community. I love it!"
